Book Description

Introducing *Keepsakes: A Design Memoir*, by noted Russian designer Constantin Boym.

All objects accompanied by a witty commentary on the objects themselves as well as what they mean to him.

Each brings up a different story but is always referenced back as a source and inspiration for Boym's design principles and process.

Through these often-humble objects, items providing insights into the life and culture of the people using or making them, Boym points out enduring truths for today.

About the Author

Constantin Boym is a designer, educator, and writer. He lives and works in New York, where he founded his design studio, Boym Partners, Inc., with Laurene Leon Boym in 1986.

Winner of the National Design Award in 2009, Boym Partners is known for its critical, experimental approach to a range of design products and environments. Some of the Boym Partners design objects are included in the permanent collection of the Museum of Modern Art in New York.
