#### **Book Description**

Reno Andam Suri began her rendang-production business, Rendang Uni Farah, in 2004. She dreamed of promoting rendang to a wider audience by introducing vacuum-packed rendang suitable for air travel. She did not stop there, however.

In 2012 she started a blog, Rendang Traveler, to share stories about rendang, the proud dish from her homeland, West Sumatra. To write this book, she returned to West Sumatra, and discovered the rich philosophical and cultural values of rendang, affirming her view that it is indeed a national treasure worth sharing with the world.
